# SELLING SLC CUSTOMER COMMERCIAL HEIFERS

**Gelbvieh x Angus Heifers  
out of Severtson sired bulls.  
They will be selling in groups  
of 5 heifers**

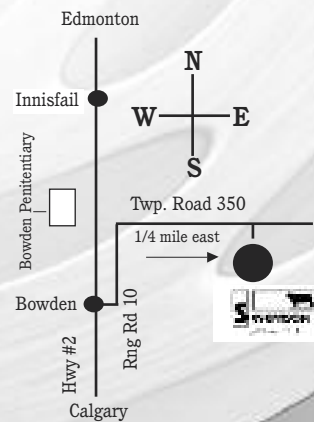

# Welcome...

On behalf of everybody at Severtson Land and Cattle I would like to welcome you to our 19th annual bull sale. It has been a lot more enjoyable hauling calves or yearlings to the market these days with new highs in the marketplace. It is rewarding to see the people that have stuck out the beef business get paid for their product. The bulls selling are all rising two year olds. We feel the older bulls will service more cows and stand up better for our customers. They have been developed at home again this year and have been grown out slowly on grass and a very high forage ration. We are pleased to once again to be working with Dr. Greg Schierman and Sunberry ranch. There will be EPD's, performance data and scrotal measurements on the bulls available on sale day. There will also be a few groups of heifers for sale from our bull customers. A special thanks goes out to friends and neighbors who spent a lot of time helping out last year at our "barn burning bull sale", both the day of the sale and the days after. We look forward to seeing you sale day.
